(Micco, Florida)

DISPATCHED BY

NOTICE OF PROPOSED RULE MAKING

Adopted: June 23, 1993;

Released: July 19, 1993

Comment Date: September 9, 1993

Reply Comment Date: September 24, 1993

By the Chief, Allocations Branch:

1. Before the Commission for consideration is a petition for rule making filed by Micco Broadcasting ("petitioner"), seeking the allotment of Channel 240C3 to Micco, Florida, as that community's first local aural service. Petitioner states its intention to apply for the channel, if allotted.

2. Petitioner states that Micco is a census designated place ("CDP") with a 1990 U.S. Census population of 8,757 persons. However, Micco is listed in the 1993 *Rand McNally Commercial Atlas* ("Atlas") and attributed with a population of 900 which is not designated as an official U.S. Census figure. According to the *Atlas* Micco is listed as a CDP with a 1990 U.S. Census population of 8,757 and includes areas within the separate communities of Micco, Barefoot Bay and Little Hollywood, Florida, which are all unincorporated communities. Section 307(b) of the Communications Act of 1934, as amended, mandates that the Commission fairly, equitably, and efficiently distribute frequencies "... among the several States and communities." The Commission has defined "communities" as geographically identifiable population groupings. Generally, if a community is incorporated or is listed in the U.S. Census that is sufficient to demonstrate its status as a community for allotment purposes. However, the Commission has found that even though an area is listed as a CDP, it is not necessarily a community for allotment purposes. Since the *Atlas* listing for Micco is ambiguous as to its census designation, petitioner should present the Commission with further information to demonstrate that Micco has social, economic, cultural, and government indicia to qualify it as a "community" for allotment purposes.¹

3. We believe the public interest would be served by proposing the allotment of Channel 240C3 to Micco, Florida, as that community's first local aural service. Channel

240C3 can be allotted to Micco in compliance with the Commission's minimum distance separation requirements of the Commission's Rules without a site restriction.²

4. The Commission believes it would be in the public interest to seek comments on the proposal to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to the following community:

City	Present	Proposed
Micco, Florida	--	240C3

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before **September 9, 1993**, and reply comments on or before **September 24, 1993**, and are advised to read the Appendix for the proper procedures. See *Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.
